### 3<sup>rd</sup> ANSA & $\mu$ ETA International Conference - Abstract deadline extended

#### Abstract deadline extended until March 31, 2009

Following many requests from authors to submit their Abstracts at a later date, the Abstract submission deadline is extended until **March 31, 2009**. Consequently, the Acceptance notification will be made by April 10. In order to keep a low overall budget for the participants, there is **no participation fee for delegates or speakers**. Further more, in order to motivate and honor the participants who will contribute their work to the success of the event, **speakers will receive free accommodation** for the duration of the event, courtesy of BETA CAE Systems S.A.

We will be honored to host you at Porto Carras, Halkidiki, Greece during the "3rd ANSA &  $\mu$ ETA International Conference", from September 9 to September 11, 2009.

Submit your abstracts by email, no later than March 31, 2009, to: [congress@beta-cae.gr](mailto:congress@beta-cae.gr)

### Updated web-site

Our website has been updated. Some notable new features are:

- A new page with the latest announcements has been added. This will allow you to refer to the latest news even if you have missed the announcement emails. [www](#)
- New per-discipline brochures have been added. These give a closer look to the pre- and post-processing solutions offered by our products for each discipline, such as for crash & safety, Durability, NVH etc. [www](#)
- The information about our successful alliances has been updated (ref. [www](#)) while a new section about sponsorships has been added (ref. [www](#))
