Safran Engineering Services and BETA CAE Systems

# invite you to the 2016 Open Meeting in France

February 4, 2016, SAFRAN Etablissement de Paris-Saclay, Chateaufort

Invitation

BETA CAE Systems S.A., the leading contemporary industry supplier of CAE software, and its business partner in France, Safran Engineering Services, have the pleasure to invite you to the 2016 Open Meeting in Paris, France.

During this event you will have the opportunity to participate in sessions on the latest developments and real case applications, on various CAE disciplines and industries, of **ANSA, EPILYSIS, META**, and **SPDRM** (Simulation Process Data and Resources Manager).

You will also have the opportunity to discuss with our engineers the software features, their application, and the future developments. A team of CAE experts from BETA CAE Systems and Safran Engineering Services will be pleased to meet you in person and exchange knowledge, experience and visions.

BETA CAE Systems and Safran Engineering Services would like to extend their appreciation to our customers who accepted our invitation to contribute to the success of these events with their presentations.

There is **no participation fee for the event**.
Please, register by email **no later than Monday, January 25th, 2016** to ansa_meta.mty@safran-engineering.com.

The attire will be business casual.
The event is organized and hosted by Safran Engineering Services.
