BETA CAE Systems and Hankook AAC

invite you to the 2016 BETA CAE Open Meeting in Korea

May 10, 2016

InterContinental Seoul COEX, Seoul

Invitation

BETA CAE Systems, the leading contemporary industry supplier of CAE software, and its business partner in Korea, AAC, have the pleasure to invite you to the 2016 BETA CAE Open Meeting in Seoul, Korea.

The event will take place on May 10, 2016 at the InterContinental Seoul COEX.

During this event you will have the opportunity to participate in sessions on the latest developments and real case applications, on various CAE disciplines and industries, of ANSA, EPILYSIS, META, and SPDRM (Simulation Process Data and Resources Manager).

Technical discussions & demonstrations will offer you the opportunity to discuss with our engineers the software features, their application, and the future developments.
A team of CAE experts from BETA CAE Systems and AAC will be pleased to meet you in person and exchange knowledge, experience and visions.

There is no participation fee for the event.
Please, register by email **no later than May 1, 2016** to ansa@ansameta.com .

The attire will be business casual.
The event is hosted by AAC.
