

## Join us to the 2018 BETA CAE Systems Open Meeting in Korea

May 10, 2018  
InterContinental Seoul COEX  
Seoul, Korea

BETA CAE Systems International AG, the leading contemporary industry supplier of simulation solutions, and its business partner in Korea, Hankook AAC, have the pleasure to invite you to the 2018 BETA CAE Systems Open Meeting in Seoul, Korea. The event will take place on May 10, 2018 in the InterContinental Seoul COEX.

During this event you will have the opportunity to be updated on the latest developments and real case applications of BETA's software products, on various CAE disciplines and industries. Furthermore we will introduce to you our new product RETOMO.

Technical discussions & demonstrations will offer you the opportunity to discuss with our engineers the software features, their application, and the future developments. A team of CAE experts from BETA CAE Systems and AAC will be pleased to meet you in person and exchange knowledge, experience and visions. This year, a META VR demo kiosk, will run at the coffee serving area.

BETA and AAC would like to extend our appreciation to Mr. Kyong-Ryol Yoon of Hyundai Motor Co. for his contributed speech.

Don't miss the opportunity and register today. Registration will be open until May 1st.

There is no participation fee for the event.  
The attire will be business casual.  
The event is organized and hosted by AAC.
