

BETA China 2024 workshop: Strengthening collaboration with Yanfeng

China, October 11, 2024

On October 11th, 2024, BETA CAE Systems China held the "2024 Technology Exchange Workshop" at Yanfeng International Technical Center, attended by Xie Shuo, Director of Yanfeng's Global CAE, and leaders from various departments.

Mr. Xie welcomed the BETA team and highlighted the importance of mesh processing in CAE, noting that our software suite is a key simulation tool for Yanfeng and expressing interest in further collaboration.

Our expert engineers presented the latest updates in ANSA and META v25.0.0 and discussed topics, such as crash & safety, HBM pre- and post-processing, machine learning, and optimization. Over 30 engineers engaged with our engineers, raising questions to deepen their understanding of simulation challenges and solutions.
